Education

B.Tech. Computer Science and Engineering

Sreyas Institute of Engineering and Technology, Hyderabad

2023 -2027

CGPA: 8.48

INTERMEDIATE

Narayana jr college

2021 -2023

Percentage: 84%

SSC

SR DIGI School

2017-2021

CGPA: 10.0

Skills

Programming Languages: Python, JavaScript, C

Databases: MySQL, SQL

Web Development: HTML, CSS

Libraries & Frameworks: Numpy, Pandas, scikit-learn, Node.js, Express.js

Projects

1. Diet Management System for Patients

Frontend: HTML, CSS, JavaScript

Backend: Python (Flask/Django)

Database: MySQL

APIs: Nutrition API, BMI Calculator API (if used)

Description: Developed a web application that provides personalized diet plans based on patient health Conditions and stores Patient record securely.

2. Bus Reservation System

Frontend: HTML, CSS, JavaScript, Bootstrap

Backend: Python (Flask) / PHP / Java (depending on what you used)

Database: MySQL

APIs: Payment Gateway API (optional), Email Notification API

Description: Built an online bus booking platform with seat reservation, passenger management, and ticket Generation features

3. Student Infogram

Frontend: HTML, CSS, JavaScript

Backend: Python (Flask)

Database: MySQL

APIs: Chart.js API / Data Visualization Libraries

Description: Developed a student information management system to track academic performance and Visualize data through charts
